Newohwang.

Dear Sirs,

We enclosed beg to hand you Bills of Lading for a quantity of goods as per enclosed list, which we have shipped today to your port per S.S. "Veteran".-

It is our intention to sell these goods at Newohwang as we think that there should be a very good market for them before the close of the river.

Our Mr Eichwede will come to Newohwang personally at the beginning of next week & we request you to please land & store our goods for our account in the meantime.-

However before you start discharging we request you to first wire us the arrival of the steamer to Tsingtau to which telegram you will please add your opinion as to the present state of the market for our goods.- Should you think it impossible to sell the goods at good prices before the close of the river, we shall most likely decide to take the goods to Tientsin, where we have an almost certain buyer.-

Thanking you in anticipation for any assistance you may render us in disposing of our cargo,

We remain, Dear Sirs,

Yours very truly

P. F. DIEDERICHSEN, JEPSEN & CO.
